

# Studio City Holiday Parade – Sunday, December 7, 2008

Take your uniform, instrument, and any props/flags that you need home after school on Friday.

Do not report to NHHS on Sunday. On Sunday, go directly to the parade route in uniform with only what you need to perform. No instrument cases or jackets or sweaters should go to the parade route. Drums and Sousaphones will be loaded on the truck Saturday night and will be transported by truck to and from the parade route. All other instruments, props, the banner, and other items are the responsibility of the performer. It is the performers responsibility to make sure their equipment and uniform get to the parade route.

This information, driving directions, and more available at <http://RoyalRegiment.org>
