

# Studio City Holiday Parade – Sunday, December 9, 2007

Take your uniform, instrument, and any props/flags that you need home after the Band & Drill Team Championship on Saturday, December 8 or after school on Friday if it is something you don't need for the competition.

Do not report to NHHS on Sunday. On Sunday, go directly to the parade route in uniform with only what you need to perform. No instrument cases or jackets or sweaters should go to the parade route. Drums, Sousaphone, & the Bari Sax will be loaded on the truck Saturday night and will be transported by truck to and from the parade route. All other instruments, props, the banner, and other items are the responsibility of the performer.

This information, driving directions, and more available at <http://RoyalRegiment.org>
